

Dear parents!!

Its summer time! For The Children, Inc. and 21st Century Community Learning Center want to make it a SWEET summer! We are offering FREE summer camp for students entering 2nd grade through 5th grade. During their time in the 21st Century summer program, students will not only engage in project-based learning activities, FREE field trips, but will also participate in hands-on lessons that are aligned to program and school-wide learning goals. Each week, students will also learn about different character traits that support their growth into more caring, responsible and respectful individuals. Please stop by the front office or aftercare office for an application.

Summer Camp Dates: May 30th, 2023- July 31st, 2023 (7:30 am-5:30 pm)

Grades: Incoming 2nd graders to 5th graders
